

FROM THE HEART

From The Heart (Paul)

With each new associate that the Lord has brought to us over the years, I have looked forward to seeing how God

Jordan is a hard worker, fun to be around, and has the spiritual commitment to make a difference in the lives of the children and youth in our area.

would use their skills and spiritual gifts to enhance the ministry at CRC. I am grateful and blessed to now have J o r d a n

Grantham on staff. He greatly helped to make the camps of this past summer some of the best ever. Jordan is a h a r d w o r k e r , fun to be around, and has the spiritual commitment to make a difference in the lives of the children and youth in our area. With the

improvements to our facilities, and a second full time staff person, I am very encouraged about the ongoing ministry of CRC. Please continue to pray for Kathy and me and for Jordan, Dena, and his family.

FOOTPRINTS

Size 8—Paul

Since the end of Travel Camp, my focus has been on getting some projects finished on the CRC buildings and ground. We worked on finishing the new pavilion: putting in grass and landscaping, constructing a cement fire pit area, putting up wind screens, and finishing the well and water lines. Jordan and I also pruned and trimmed around the CRC grounds.

My teaching ministries include preaching and teaching at Stockham Community Church, youth and adult Bible studies, some counseling, and hospital visits. I also had one wedding and one funeral this fall.

Size 10.5—Jordan

Reaching back to the summer, the day camps and travel camp were a real treat. They brought back many good memories from my times as a camper (well, except that time when Paul ran over me with a go-kart!) and have started filling my memory bank as a leader. Some of those highlights have ranged from hearing the simple and delighted squeals of excited kids to seeing God prompt students to make life changing decisions.

This fall I have had the opportunity to coach a 5th and 6th grade flag football team in Giltner as well as begin helping out with the Monroe Free Church youth group. Both have been great opportunities to get acquainted

with youth in the area. I have also been involved with a Sr. High Bible study called Rock Solid (more information related to this study in the article entitled: Rock Solid) and various projects around CRC. Most recently, we helped to sponsor a fall harvest party that went over well with adults and

From The Heart (Jordan)

Deuteronomy 6:6-7 (NIV)

⁶ These commandments that I give you today are to be on your hearts. ⁷ Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.

You may have heard it said, "I love it when a plan comes together." I am not sure that Grandpa or Grandma Huenefeld had anything planned as far as more family working at CRC. One thing I do know is that, as with any parent or grandparent, there is excitement when you see someone you love following the

DAY CAMPS 2010

Our summer camps were a true joy this past summer. The campers were very attentive and well behaved, the weather was good, plus our staff was excellent. Having Clayton Kliever part time and Jordan Grantham full time for our camps was fantastic. They, along with our volunteer staff, were greatly used by the Lord.

Elementary Camp

Our theme was "As He Passed By." We studied those who encountered Christ and were changed by Him. Elementary age campers enjoy go-karts, canoes, crafts, archery, the obstacle course and other outdoor games. Total campers: 119

Junior High Camp

Our theme was "Got 2 B True." We looked at people in the Bible who held fast to their faith in difficult times. In addition to the above activities, Junior Highers also get to go swimming, tubing, see a Big Screen movie, and go roller skating. Total Campers: 49

God cannot give us a happiness and peace apart from Himself, because it is not there. There is no such thing.
C. S. Lewis

Lord. That is what I am striving to do as I start my tenure here at CRC – be faithful to what the Lord has called me to do and follow Him to the best of my ability. I feel like things have gotten off to a very good start, and it is so great to be back in the area! It doesn't seem like six full years that we've been gone, but when I see how the "kids" have grown up - it is true, time does march on.

kids alike. We roasted hotdogs, had smores, went on a hayride, and played night games such as "sardines" and capture the flag. It was a great time for students from the area to enjoy some time together on a beautiful evening. As we continue to get settled, I am looking forward to what God has in store for us this upcoming year.

Sanctify them by the truth; your word is truth.
~~ John 17:17

FURTHERING CHRIST'S KINGDOM THROUGH CHRIST-LIKE SERVICE

SUPPORT UPDATE

In our last newsletter we mentioned the need of raising support for Jordan Grantham. We are grateful for the responses we have received thus far, but are still in need of increasing his support. We do believe that your local church is your first priority and would ask you to seek the Lord's leading as you consider your part in the ministry of CRC in general and Jordan and family in particular. One giving option that is available to local farmers are grain accounts at both CPI in Giltner and Aurora Cooperative in Aurora. Please continue to pray for us and the ministry of CRC.

ROCK SOLID

Matthew 7:24-25 gives the story of a wise man who built his house on the rock. When the storms came, his house stood firm because of its solid foundation. We have started a study for high school students called Rock Solid that is taking a look at the Christian world view. We are using a video discussion series put out by Chuck Colson and TeenMania. We meet from 8-9:30 am every other Saturday morning at the Nauman's with a quick pancake breakfast to boot. The meeting dates for the rest of the year are November 20th, December 3rd and 17th.

We are looking for some help in obtaining some quality mountain bikes to have available for those who do not have one and would like to give the trail a try.

BIKE TRAIL

A freshly mowed, mildly expanded, helmet recommended mountain bike course is ready and available! Anyone wanting to ride is welcome to come on out. There is also a walking trail to ride on if a person is looking for something not quite as challenging. The mountain bike course also doubles as a good hiking trail or difficult cross country running trail. The whole trail measures a little over two miles. We are looking for some help in obtaining some quality mountain bikes to have available for those who do not have one and would like to give the trail a try. A quality entry level mountain bike typically runs \$350 and this bike project might make a good Christmas project for a Sunday School class. Call Jordan at CRC if you have any questions.

NEW PAVILION FINISHED

We praise God for the completion of our new 40x60 pavilion. It includes restrooms, showers, retractable wind screens, a fire pit, and a storage room that has a sink, refrigerator, and microwave. This pavilion is perfect for large groups, families, and church picnics. Since June we have had the Aurora Boy Scouts, the Pleasant View Bible church, a home school association, Stockham Community Church, and the Aurora Evangelical Free church use the facility. The setting is beautiful, the activities many, and the blessings unlimited. We are honored when our facilities are used, so plan on joining us next year. We want to express a special thanks to those who donated memorial gifts and other gifts of money and time to help us complete this project. By next summer, we hope to have our RV sites ready for use also.
